

CSS CAREERS

CNC OPERATOR

📍 ÅGOTNES, NORWAY

Delivering reliable solutions for complex subsea challenges, everyone at CSS plays an essential part in maintaining critical offshore connections for oil and gas operators worldwide.

We are looking for talented individuals to join the CSS team!

JOB ID #0122

📋 RESPONSIBILITIES & TASKS

- Operation of CNC machines
- Production with use of CNC-controlled lathe and milling machine
- Programming and conversion of machines
- Technical and practical understanding
- Interpret drawings
- Control measurement / quality assurance of work carried out
- Carry out simple maintenance on the company's machines and equipment
- Contribute to active and good utilization of capacity and production

☰ REQUIRED BACKGROUND & SKILLS

- Oral and written English is desirable. Scandinavian is an advantage.
- Professional certification as a CNC operator is desirable, but experience can compensate for a lack of professional certification
